Aboriginal Cultural
Experience

Indigenous Business Australia (IBA) and Tourism & Events NT are providing an opportunity for Northern Territory (NT) based majority owned Aboriginal businesses, organisations and Aboriginal people residing the NT to gain an understanding and the skills to develop or grow an Aboriginal tourism business.

The Program will:

- Be one week a month from February 2026 to June 2026, which will include a series of five face to face blocks focused on NT Aboriginal tourism specific business and tourism product development sessions.
- Provide you with dedicated facilitators and a personal business coach supporting your journey during the program until October 2026.
- Provide networking opportunities with industry specialists and tourism operators.
- Give you access to attending a tourism industry specific forum and conference.
